Defense and Confirmation Project, in fellowship with the co-workers in the Lord's recovery, is making available to the saints and the churches a set of short books that have been assembled from [afaithfulword.org](http://afaithfulword.org). These materials are being published to help clarify the precious truths and the facts which have been distorted and twisted by dissenting ones in the past two years.

This set includes six series titles with a total of 28 short books (8.5" x 5.5"; 30 to 70 pages each). We encourage the churches to place bulk orders for the saints. See page two for a complete listing of titles. At the present time these titles are available only in English. Orders can be placed by completing this form and faxing, or mailing it back to DCP.
